

Where to drop off students at Northbrook Public Library

- Do not drive into the library's parking lot. Drop off students at the wheelchair ramp just north of the library's parking lot entrance (1215 Cedar Lane).
- Head north on Cedar Lane so that you can pull up at the wheelchair ramp in front of the library without having to turn around.
- To be facing the right way for drop off:
 - If driving east on Cherry, turn right on Greenbriar, left on Center, and left on Cedar.
 - If driving west on Cherry, drive past Cedar and turn left on Greenbriar, left on Center, and left on Cedar.
 - If driving north or south on Shermer, take Walters heading west and then turn right on Cedar.

▶ The bus should pull up on the east side of Cedar Ln. (facing north) at the wheelchair ramp so students can exit on the right.
