BOARD NEWS

Board members are invited to participate in the annual Illinois Library Association Legislative Meet-ups. The one for the northern suburbs will be on President's Day, Monday, February 21 from 9-10:30am on Zoom.

This is a great opportunity to hear from local legislators, meet other Library Board Trustees, and find out what is happening on the legislative front at the state and local level for libarries. <u>You can read more about the event on the ILA website</u>.

If you are interested in attending, please let me know and we will register you.

UPDATES

COVID-19

Most the updates are going to be very COVID focused, unfortunately. Omicron has been dominating our lives for the past month. We have had a significant number of staff that have had to be out due to symptoms (sometimes COVID sometimes they end up negative), close contact with someone that tested positive, and just general winter illnesses. As a result, we have had to pull back on some things:

- Patrons may not eat food in the library, but may still enjoy covered drinks
- The Youth Services Desk will be closed January 8-31. Youth Services staff will be assigned to work the Reference Desk.
- Fiction & Media, Maker Services, and Technical Services staff will sign up for times to assist in Circulation
- In-person programs will be canceled through January 31.
- Collaboratory appointments will be canceled January 8-15 and reduced through January 22.
- Study Rooms will be limited to 1 person per room starting Saturday, January 8 through at least January 31.
- Meeting Room bookings will be canceled through at least January 31.
- The Friends of the Library book shop volunteers will not come in January 8-16. The book shop will be open for self-service shopping.
- Staff should conduct all meetings remotely if more than 2 people will be at the meeting.
- Staff cancelled all outreach visits for January 2022.
- Staff may not attend any meetings in person outside the building through the end of January 2022.

Exterior Lockers

We have received the exterior lockers from Bibliotheca and are awaiting Fast Signs who needs to come and wrap them. Once wrapped they will be installed outside and then opened up for patron use. We continue to offer curbside pick-up for any patron that wishes. They can call the library and Circulation staff will run their holds out to their car. Spots have been designated near the west entrance for this service.

Fire Panel Update

The project is progressing and is expected to be complete by the end of the month. Thus far, FE Moran has completed the device replacement on the first floor. New devices and device replacement on the second and third floor will start next week. The information requested by the Village Fire Marshall has been submitted so that the actual Fire Panel can be installed after the devices are all replaced.

Illinois Libraries Presents

December 31, 2021 was the final date for libraries to sign onto Illinois Libraries Present. We ended up with 213 libraries participating. This equates to 1/3 of the state or approximately 4 million residents. Thank you again to the board for your support in helping launch this statewide initiative. We are hearing from many libraries how grateful they are to have this as many are now pulling back on their programming again due to COVID.

The first three events are being promoted, with the first coming up on January 26. For any board member interested, sign-up and event information is provided below:

An Evening with Silvia Moreno-Garcia (in conversation with Gus Moreno) Wednesday, January 26, 7-8 p.m. / Zoom https://bit.ly/ILP SilviaMoreno-Garcia

An Evening with Jasmine Guillory (in conversation with Morgan Rogers) Wednesday, February 16, 7-8 p,m. / Zoom https://bit.ly/ILP_JasmineGuillory

An Evening with Jenny Lawson (facilitator info to come) Wednesday, March 30, 7-8 p.m. / Zoom https://bit.ly/ILP_JennyLawson

NOVEMBER 2021 DATA & STATISTICS

In November 2021, we continued to see increased activity in the library from visits to programs to computer and WiFi use to physical material check outs. Study Rooms, especially the new rooms, have continued to be heavily used. The library closed to the public November 14, 2020, so we see significant increases in in-person engagement from November 2020 to November 2021. While not to pre-pandemic levels, interest in in-person library service is increasing.

DECEMBER 2021 DATA & STATISTICS

We see a stark contrast between December 2020 and December 2021 since the library was closed to the public for all of December 2020. We continued to see increases in the checkout of physical books as well as a jump in DVD and Blu-rays. Though we frequently see a drop in visits in December, this year December visits were only slightly lower than other months. Virtual and in-person programs were offered with strong attendance, especially for virtual events. Homebound deliveries have also increased from this summer.

We are working to add an online catalog station to the first floor. We know it would add convenience and aid in accessibility for our users. Thank you for your suggestion!

I just wanted to thank you and others for offering the amazing book, The Vanishing Half. I just finished it. So thought provoking and interesting.

I have a Northbrook address but because of the line, am actually part of Glenview village, including their library. However, I follow all that your library offers and will be back soon to visit.

Thank you for your email. I am so glad you enjoyed Vanishing Half. I will pass this along to the staff that planned One Book One Northbrook. And we happily welcome people from other libraries. I am happy to hear that you enjoy visiting ours.

The Library is no longer a welcoming place despite appearances. If all people are welcome, why the extreme bias to the left and Democrats? Why aren't there any displays of conservative people and values? To be inclusive you can't exclude other viewpoints.

Staff comments by Kelly Durov on November 8, 2021:

The library strives to be an inclusive place for all users, and we wanted this statement to be a visual representation of that as people enter the building which is why we chose to feature the "All Are Welcome" mural. We strive to create displays of our materials that represent a breadth of our collection, but we do not feature any permanent display that

highlight a specific theme, viewpoint, or genre. It is also important to note that while people's racial or gender identity or sexual orientation are often politicized topics, any political view points that exclude or harm a person based on their identity would not be featured in the library's messaging or displays as it would counter our mission to be an inclusive organization.

WOW! What a great program this was yesterday! I don't know if you are going to send a survey link, but I just wanted to say that my granddaughter and I really bonded and enjoyed ourselves so much at my kitchen table drawing with the artist (sorry - can't recall his name - is it Anderson?). Please schedule more classes like this in 2022. I can't say enough great things about it! THANK YOU SO MUCH!

I am so happy to hear that you and your granddaughter enjoyed the Andertoons Drawing Workshop with Mark Anderson. What a wonderful opportunity to bond and I hope that you laughed and giggled as much as I did during the program!

It was a pleasure to watch the participants take such delight in the drawing and sharing. I agree that Andertoons is an excellent program and it will be offered in 2022. Thank YOU for your enthusiasm and positive feedback.

Representing all views, that's diversity. Where are the conservative books and viewpoints? Why are they not on display? True diversity is taking into accounts others opinions and ideas even if they're different from your own. There's not just one right way to view all things.

I am wondering if there are plans for a Craft Swap soon. I have a large amount of craft supplies I would like to donate to the event.

Comment Source: Email

Response to Patron by Kelly Durov on :

Thank you for inquiring about the craft swap. We don't have plans for a swap in the very near future but we are considering holding one later in 2022 or early 2023.

In the meantime, here are three places that accept donations: 1) Brushwood Center at Ryerson Woods (in Riverwoods) - You'll find the list of items they take as well as a contact number for questions at this link: https://www.brushwoodcenter.org/base---brushwood-art-supply-exchange.html

- 2) Northbrook Senior Center (Walters Ave.) They accept yarn and knitting and crochet needles/supplies. They have a knitting circle and the participants make and donate scarves, etc. to low-income children and veterans in suburbs further north.
- 3) The Wasteshed (Evanston) They opened just this month! Here is a link to the items they accept: https://www.thewasteshed.com/donate

I hope these referrals are helpful. Feel free to contact me if you need further information.

I also wanted to say that the library has been such a bright spot during Covid for me. Putting books on hold and being able to get them so easily was amazing. For now, getting to go in and browse is such a nice break from the chaotic world. All of your staff is absolutely amazing. They are kind, and have the best ideas of what to read next that I never would have thought of. I have many memories of the library from when I was little and now as a young adult and when Covid started I was so worried it would close for so long and I would not have much to read. Reading is the best thing for me to escape to new worlds and just relax. Because of you, I have read the most books I've ever read in a year...77!! I'm into new genres and authors and loving it. I just started my first Agatha Christie book and am already thinking of which ones to get next!! I've lived in many towns and states, and have to say I have never found such a nice library filled with the best books and people working there. Honestly the library is my favorite part of Northbrook as huge reader and I can find everything new that I am looking for!!

A patron spoke to staff member Debbie Siegel in person and mentioned that they noticed the Welcome message in the lobby and really appreciated that it was so prominent, and also that it mentioned gender. They noticed that there were no gender neutral restrooms for patrons. I mentioned that the staff restrooms might be able to be used upon request, but they were uncomfortable having to ask.

Staff comments by Kelly Durov on December 23, 2021:

A gender neutral bathroom must be single stall or single use. This is a state requirement. We are going to investigate changing the bathroom on the 2nd floor near youth services to single use. We are also going to keep front of mind the need for single stall, gender neutral bathroom for future building projects.

RECEIVED DECEMBER 23, 2021

Thank you for trying to stay neutral yet inclusive with the prominent book selections, both for adults and children, viz. drag queen program, LGTBQ+ friendly material, etc.

All the displays and program choices are amazing and very inclusive of everyone. They are precisely how they should be at the very least, if not more so, in my opinion. DEI is tough and I am happy to be part of a library working on that as a priority.

Me and my family really appreciate the hard work it takes to run a display, decide on programs, hire and train staff, manage library inventory and so much more. Page 32 of 43 Again, thank you for a great community space and all that you do. We are always excited to go to the library.

RE: COVID Sick Leave Policy for Staff

Last year the board approved a temporary sick leave policy for staff that were out due to COVID. Unfortunately, COVID is still very much a part of our lives and the need for this policy remains.

I have attached a new COVID Temporary Sick Leave Policy and am requesting the board approve it for 2022. I will not speculate on whether we will be out of COVID at the end of the year, but if necessary we can revisit again in the fall.

Thank you for your consideration.

TEMPORARY COVID SICK LEAVE POLICY

For calendar year 2022, all employees will be granted up to two weeks of paid COVID-19 sick leave to be used once all other leave accruals are exhausted. The term "week" is defined as the staff member's weekly budgeted hours as of January 1, 2022. This policy shall provide coverage to employees in the following instances:

- is subject to a Federal, State, or local quarantine or isolation order related to COVID-19 and is unable to work remotely;
- 2. has been advised by a health care provider to self-quarantine related to COVID-19;
- 3. is following the Illinois Department of Public Health guidance on quarantining due to a COVID exposure or travel;
- 4. is experiencing COVID-19 symptoms and is seeking a medical diagnosis;
- has tested positive for COVID-19 and must isolate according to Illinois
 Department of Public Health guidance;
- 6. subject to an order described in (1) or self-quarantine as described in (2) is caring for a child, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent. A child is defined as an employee's son or daughter who is a biological, adopted, or foster child, a stepchild, legal ward, or a child of a person standing in loco parentis;
- 7. is caring for a child whose school or place of care is not open (or child care provider is unavailable) due to COVID-19 related reasons; or
- 8. is experiencing any other substantially-similar condition specified by the U.S. Department of Health and Human Services.

In the event that a new state or federal law granting paid sick leave for COVID related reasons is passed, the leave granted under this policy will be used concurrently with

any new requirements. There will be no payment for the unused sick leave pay under this Temporary Policy. The sick leave may not be carried-over and expires on December 31, 2022. Paid sick leave granted under this Temporary Policy is not eligible for conversion to IMRF service credits or the Good Health benefit. This policy shall expire on December 31, 2022.

RE: Sick Leave Policy for Part-Time Staff

Currently, only our full-time (35 hours/week) and regular part-time (20+ hours/week) staff receive sick time. I am recommending to the board that sick time also be provided for part-time staff that work under 20 hours a week.

We encourage staff to stay home when they are ill, but for many part-time staff in our country, they work multiple part-time jobs and cannot afford to lose pay. They end up coming in when they are sick and often get others sick. We want to do what we can to ensure that staff can stay home when ill without worrying about making up hours or losing pay.

Attached is the sick leave policy with an amendment to add sick leave for part-time staff.

03.2 Sick Leave

Created:	February 2020	Updated:	

Sick leave can be used for absences due to the illness, injury, or medical appointment of an employee or employee's child, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent. A child is defined as an employee's son or daughter who is a biological, adopted, or foster child, a stepchild, legal ward, or a child of a person standing in loco parentis.

Full-time employees accrue 105 hours (15 days) sick leave per year at the rate of 4.38 hours per pay period, up to a maximum accumulation of 840 hours (120 days). Regular part-time employees accrue 52 hours per year at the rate of 2.17 hours per pay period up to a maximum accumulation of 420 hours. Part-time employees accrue 36 hours per year at the rate of 1.5 hours per pay period up to a maximum accumulation of 144 hours.

Any illness that occurs during an employee's scheduled vacation or on a designated holiday is considered holiday or vacation time and not sick leave.

There will be no payment for unused sick time upon termination of the employee. Upon retirement, accumulated sick leave qualifies for additional IMRF pension credit.

No sick leave is accrued by an employee on an unpaid leave of absence.

Any employee receiving compensation under the Worker's Compensation Law is not eligible for sick benefits for the same incident or absence.

Employees who are absent for more than three days due to illness may be required to supply a physician's note verifying that they were ill and/or indicating that they are fit to return to duty.
